Ms. Skiff,

Finally - I made it. Thank
God! I had alot of fun in your
6th period home ec class this year,
with the exception of sewing.
I certainly hope you had a good
time when you spent numerous
weekends in Niagara Falls.

Cathy

*In Memory of
Tammy Thomas
1963-1974*

We, the Class of 1981, would like to fondly express our remembrance of Tammy Thomas.

Although her departure saddened the hearts of many, there will always be a wind of proud remembrance blowing through our hearts for her.

To those who never knew Tammy, she portrayed only innocent visions of life, and made reality a more distant daydream than ever possible.

Though we only have the unforgettable memories of our fellow classmate, we will always cherish those great moments of sharing our lives with her, and the honor of being there to create those great memories.

"It is with pleasure that I share a few personal thoughts with the Class of 1981, speaking as an educator, school-community resident, parent and foremost as a close associate of the class

Climbing the academic ladder during the past thirteen years with each rung proving to be more complex and sophisticated, has provided you with the basic foundation as you prepare to leave C.P.C.S. to pursue collegiate training, employment, military service, etc

Frequently you will look back at those many memorable experiences and associations while at C.P.C.S.

The trials, tribulations and successes in life will continue as time marches on, but always remember that we learn from our mistakes as we continue to develop our skills, personalities and lives as a whole

Congratulations Class of 1981."

Mr. Norman Whyte
High School Principal

"It is already tomorrow. Time, which never stops on its journey, will pass before your eyes, and in only a few moments you will be members of the community looking back on the years you spent at Colton-Pierrepont Central School. When you do, the photos, facts and memories in this book will be your stepping stones to happy reminiscences

May your memories of Colton-Pierrepont Central School be pleasant ones, and may your futures be filled with happiness and success

With every wish for a bright tomorrow."

Mrs. Theresa O'Gorman
Elementary Principal

'Believe in your own importance. Value your ability to shape the world through your efforts to strengthen the family the community, and the nation

You will grow older and wiser eventually taking our places, your mothers and fathers, teachers, and administrators

You are our brightest hope. We will be here to help you meet the challenge before you

Good Luck!"

Ms. Skiff,

Well, I've finally made it out of

this place. Remember me next year while trying to get your nearsmagazine organized.

I'm glad you gave me the chance to learn all I've learned this year. Good luck and take care.

Ms. Skiff,
You've certainly made my Senior year more enjoyable. I've definitely gained a lot of knowledge and skills from taking home ec. You showed me an interest in things I was never interested in. Thank you! Always keep in touch. I'll be back to visit you. Fondly,
Paul Beck
